

THE FOUR INTELLIGENCE HEALTH CHECK

This exercise helps you to identify where you are at the moment with each of your intelligences: intellectual, emotional, spiritual and physical.

This helps you to reflect on what gives you succour, comfort and stimulation.

Instructions

- 1 Find a quiet place to sit down where you won't be disturbed.
- 2 Bring your attention to your breath. Allow a smile with sparkling eyes and a warm open heart.
- 3 Just notice your thoughts and let them go.
- 4 Bring to awareness your feelings (happy, angry, scared or sad) and let them be.
- 5 Notice any spiritual sense you have - the energy in the place you are in and let it be.
- 6 Notice how you feel in your body and breathe light into it.
- 7 Concentrate on each aspect of yourself by asking what gives you energy and stimulation in each intelligence using the form below.
- 8 Complete the action / thought / feeling plan and be generous-hearted with yourself.
- 9 Notice any scripted patterns which the plan meets and then re-decide if you want to keep everything on the list.
- 10 Revise the list and allow it to rest with you.
